

IECAST Program Hosts Australian Representative

LAGUNA HILLS, CA, August 3, 2015

Jean Still, Counselor, Coach, and Nurse working in the largest women's prison in Australia, observed the Choice Theory: Internal Empowerment Coaching Program in action on July 18, 2015, in a women's prison located in Southern California.

The purpose of Ms. Still's visit was to learn more about the effectiveness of the program, which has been under the leadership of Les Triche', Director, since 2010.

Ms. Still was afforded the opportunity to not only meet with students, but with Carleen Glasser, wife of the late, renowned Dr. William Glasser, founder of Reality Therapy. Additionally, Sharon Bogdonavic, Basic Instructor, who assists Triche' in facilitating training, was also in attendance, as well as other invited Choice Theory practitioners.
